NEED A FEW EXTRA BUCKS? LOOKING FOR SOMETHING FUN TO DO?

We're a vacation rental company on beautiful 30A, and we are busy! We're looking for people that are detail-oriented to help us out. We want to inspect every property before check-in to ensure that it is clean and ready for our guests. We take pride in our work and relationships, and we are committed to perform at the highest level.

WHEN DO WE NEED YOU?

Saturdays and some Sundays during Spring Break and summer.

WHAT WILL YOU DO?

Simply? Quality assurance. Using a checklist of items via an app, you'll inspect properties as they are assigned to you. You'll check for: cleanliness, proper set-up, and any maintenance issues. You may be asked to do light cleaning (if it can be done in 15 minutes or less), and we'll supply the cleaning supplies.

WHAT'S THE PAY?

You'll earn \$150 each day you do inspections. We pay our inspectors every 2 weeks via check or direct deposit.
