RE: Termination of Employment

Dear Mr. Walters:

I have received and reviewed the summary of an internal investigation conducted by the Walton County Office of the County Attorney. Based on the findings, you have violated several provisions contained in Chapter 11 of the Walton County Personnel Policies and Procedures Manual, specifically:

- (c) offenses or misconduct which violate general rules of behavior or are specifically prohibited by law;
- (h) abuse, misuse or theft of public property, equipment facilities or supplies;
- (o) violation of State and/or Federal Statutes and regulations pertaining to public employees;

and Chapter 24, which states:

"No employee shall engage in criminal, infamous, dishonest, immoral or other conduct injurious or prejudicial to the County work force or the general public.

Due to your actions, which violate the above-listed policies, your employment with Walton County is terminated, effective January 4th, 2018. Please return any and all Walton County property, including, but not limited to, badges, keys and uniforms, issued to you during your employment to the Walton County Public Works Administration office no later than close of business on Monday, January 8th, 2018.

Sincerely,

Wilmer Stafford
Public Works Director
