Re: Deposition of Cecilia Jones/Krika v. City of DeFuniak

Dear Mark:

Per your request please allow this letter to serve as a brief summary of the deposition taken of Cecilia Jones taken in the Krika case. The primary focus of the questions to Cecilia Jones concerned her actions as a Walton County Commissioner and whether or not she engaged in any activity on behalf of the Walton County Commission that would in any way attempt to interfere or influence the Town Marshall of the City of DeFuniak in prohibiting then Officer Krika from investigating "corruption" involving the Walton County government. Basically, I deemed the deposition as a huge fishing expedition being conducted by a bunch of conspiracy theorists with no substance to the matter.

Please advise if you need anything else.

Sincerely,

Gary A. Shipman
