RE: Complaint No. 17-075, In re BOB CAMPBELL

Dear BOB CAMPBELL:

The above-captioned complaint, recently received in the office of the Commission on Ethics, is being transmitted to you pursuant to the requirements of Section 112.324, Florida Statutes. This office will forward all future correspondence in this matter to you at the above-listed mailing address unless otherwise notified of a change in your address. This transmittal is a routine administrative requirement which should not be construed as an approval, disapproval, or judgment of the complaint, either as to its terminology or merits.

Please note that this complaint, as well as all of the Commission's proceedings and records relating to the complaint, remain confidential either until you make a written request to the Commission that such records be made public or until the complaint reaches a stage in the Commission's proceedings where it becomes public. Unless we receive a written waiver of confidentiality from you, our office is not free to release any documents or to comment on this complaint to members of the public or the press, so long as the complaint remains in a confidential stage. The Commission's procedures on confidentiality do not govern the actions of the complainant or the respondent.

The following information is submitted to aid you in understanding the review that a complaint may go through under the Commission's rules. The first stage in our complaint process is a determination of whether the allegations of the complaint are legally sufficient, that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation and all records relating to the complaint will become public at that time.
