Chipley, Florida 32428

Re: Deferred Reimbursement Agreement

Dear Secretary Barfield:

On behalf of the Walton County Board of County Commissioners, I would like to formally request a deferred reimbursement agreement for construction of the Western Lake Pedestrian Bridge project. While the project is not programmed for construction until 2018-19, such an agreement would permit Walton County to move forward with construction of this much needed bridge in 2015. The project has been permitted and is otherwise ready to go. With the requested deferred reimbursement agreement in place, Walton County could move forward with this project and FDOT would reimburse the County in the amount of \$ 1,049,106 at the earliest opportunity. Please do not hesitate to contact me if you have any questions.

Sincerely,

Bill Imfeld, Chair
Walton County Board of County Commissioners
