SayCheezZ provides a new perspective on a delicious Brazilian tradition. By giving back to the community with a unique taste, SayCheezZ offers only organic and healthy options. What separates SayCheezZ as a bakery from others, is our gluten-free certification that holds us to our highest standards.

Love the idea of all natural food but looking for more than a snack? Try a CheezZwich (Sandwich) or CheezZini (Panini)! Don't stop there though; we also serve Amavida coffee. Have family or friends with food allergies? Look for our retail bags at For the Health of It (Blue Mountain Beach), Everman's and Apple Market (Pensacola) and bake a whole dozen at home.

Stop in during operating hours and say hi to an enthusiastic and knowledgeable staff that can help you discover how you SayCheezZ!
