\$100 Week

\$25 Drop in Rate

Beginning with the 2021 Spring Semester (January 6th – May 26th), The Balanced Scholar is excited to serve SoWal students with a dynamic and engaging after school program.

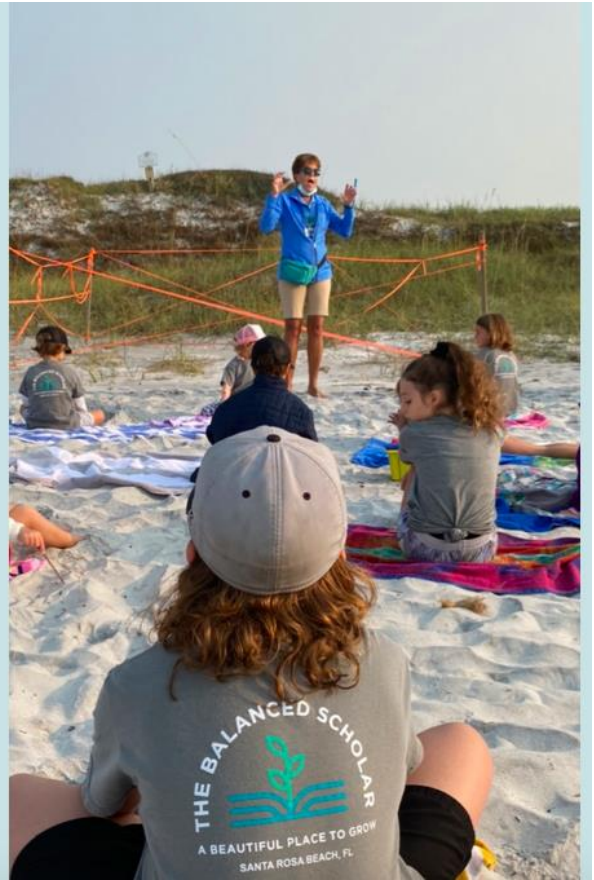

TBS After School Program allows school-age children to balance learning and fun through a variety of activities. During each day, children will fill their afternoon with outdoor play, enrichment activities, homework time, and small group activities.

Students will arrive each afternoon and have snack/HW time, receive tutoring from a certified teacher if warranted, then choose from a variety of enrichment activities: outdoor play, beach ambassador program, drama, art, Spanish, inside games, STEM tasks, robotics and more. Most programs are included with tuition.

Hours for After School are 2:15 pm– 6:30 pm

TBS is on the bus route for Butler Elementary.

Shuttle Service is available from other local schools.
